NO.....806 Office of the Food Controller in Mysore,

Dated, Bangalore 8th Dec. 1918.

From

K. Matthan, Esqr.,B.A.,

Food Controller in Mysore,

B a n g a l o r e.

To

C. Balasundaram Iyer, Esqr,. B.A.,

Chief Secretary to the Government

of H. H. the Maharaja of Mysore.

Sir,

I have the honor to forward herewith a copy of a letter dated 6th December 1918 from the Deputy Commissioner Kadur District regarding the proposal to open grain depots at Kadur, Tarikere, and Chickmagalur. The Deputy Commissioner's proposals are not very clear, but apparently he intends to place the Depot at Chickmagalur in charge of the Treasury Assistant Commissioner and those at Kadur and Tarikere in charge of the Amildars assisted by a Committee. I see no objection to this. As regards Establishment, he wants only a measurer on Rs. 8/- and a mutsaddi on Rs ,10/- for each of the depots. Presumably,arrangements for watch and ward will be made locally without extra cost. As the proper maintenance of accounts cannot be secured by a mutsaddi on Rs. 10/- I would recommend that a clerk and accountant on Rs. 25/- may be allowed for each depot. The cost for each depot will thus be Rs 25 plus 8 (pay of measurer) or rupees 33/ in all,. This may be sanctioned.

I have the honor to be,
Sir,
Your most obedient servant,

Food Controller.

PVK.

Copy of letter No.H.C.601-17-18 dated the 6th December 1918 fromthe Deputy Commissioner, Kadur District, to the Food Controller in Mysore, Bangalore.

.....

With reference to your letter No.478 dated the 4th instant requesting me for proposals re the establishment &c. requiredf for grain depots to be opened in this District, I have the honour to state that the Tarikere Sub Divisional Assistant Commissioner who was consulted in the matter reports that it is very necessary to establish two grain depots ~~kkkk~~ in his Sub Division one at Kadur and the other at Tarikere where Burma rice as well as local rice and ragi which is being commandeered, may be stored in order to facilitate transport of these food grains to the several parts of the taluks of Kadur, Tarikere and Koppa (except to Sollebile) according to their requirements, the supply needed to Sollebile being arranged to be transported through Balehonnur via Chikmagalur.

2. An establishment of a similar grain depot at Chikmagalur is also necessary for storing rice which is being ~~commandeered~~ commandeered in the Chickmagalur Taluk. This depot will be in charge of the Treasury Assistant Commissioner, Chikmagalur.

3. The Sub Divisional Assistant Commissioner recommends that the management of the Depot may be vested in the hands of an executive Committee which should consist of Amildar as Chairman and 3 non.official members and I agree with his proposal.

4. As regards the establishment required for the three depots to be opened in the District. I would propose the entertainment of a measurer on Rs,8/ and a Mutsaddi on Rs,10/

per mensem for each of the three depots as recommended by the Sub Divisional Assistant Commissioner.
